Brief Details.

On the 19/08/2018 at about 0300hrs, I was driving along Ophir Road towards ECP. At the junction of Beach road, the light was in my favor and when my vehicle was in the middle of the junction, I saw a vehicle coming from my right side and I tried to brake but could not break in time. My vehicle collided to the left side of the vehicle and that vehicle crashed into the traffic light in front. I was in a daze for a while and when I got out of my vehicle, I notice there was a crowd gathering and the vehicle which I had collided with was empty. I was told that a driver and a passenger had ran away. Shortly, the traffic, police and ambulance came. I felt some chest pain but I did not follow the ambulance as I did not think it was serious. I had gone for my own checkup today and did X-Ray and everything seems fine. My vehicle SLB8067C was seriously damaged and towed away by my own towing. the other vehicle SJK4177X was also seriously damaged and I do not know what happened to the vehicle as the police were still investigating at the scene when I left. I was informed by the Investigator that there were drugs found in that vehicle and they are investigating. The Investigator also seized my vehicle's camera SD card and asked me to lodge a traffic report.
