Brief Details.

On 18/08/2018 at around 1740 hours, I was driving along Chun Tin Road towards Yuk Tong Avenue. Everything was normal.

Upon passing by the junction of Chun Tin Road and Jalan Seh Chuan, I felt an impact on the rear left of my car. Thereafter, I then lost control of my vehicle and my car then went up the kerb. Awhile later, I then drove back down the kerb.

Thereafter I made a check on my passenger as they were shouting. A passerby then came and rendered assistance to my passenger while a passerby then gave me her number informing that she have seen the whole incident.

Subsequently, ambulance came and conveyed all 3 of my passengers to hospital. Thereafter traffic police also came to facilitate the scene. I then made a check with the driver, who had bang onto me and she just kept apologizing.

I have been driving for the past 7 years and I have an inbuilt camera in my car. I am not sure if there are any CCTVs at the said location.
