ACCIDENT INVOLVING GBF 1134K(EQ) AND SHD 9738E ALONG/ AT DEPOT ROAD CARPARK ON 20/07/2018

We refer to the above subject matter. We write to inform you that we are the loss adjuster appointed by your motor insurer, EQ Insurance Company Ltd to deal with the third party claim against your policy.

We have received a claim from SHD 9738E against your insurance policy.

We have reviewed the matter and based on all the available information on hand, we are of the view that we do not have a good defense towards the claim submitted by the owner of SHD 9738E. Under Motor Accident Guide, vehicle reversing in/out or moving in/out should exercise greater caution. Our driver should confirm traffic clear before reversing. Therefore, we are of the view that liability is not in our driver's favour and we shall proceed to negotiate for an amicable settlement of the third party claim at best to avoid further litigation, which would escalate to even more cost.

If you have evidence/information to proof that we should not settle the third party claim, kindly let us have them in writing within the next 10 days i.e. by **14/12/2019**, after we shall proceed with negotiation with Third Party claimant on the without prejudice basis and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

Please note that your No-Claim Discount (NCD) (if any) will be affected upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Please call us if you have further queries.
