Brief Details.

δ On 17/08/2018 at about 0910hrs, I was travelling along BKE towards Woodlands. I was travelling on my motorcycle, registration plate number FBH4931X, on the 4th lane of the expressway. I was travelling at a speed of about 50km/h. After passing by the exit of Dairy Farm Road, I noticed one black colour car from the 3rd lane driving near my motorcycle. The car subsequently entered my lane and hit my motorcycle from the rear. I then lost control of my motorcycle and fell to the ground. I could not remember exactly what happened after that as I was in and out of consciousness. I was then conveyed to Ng Teng Fong General Hospital by ambulance about 30 minutes later.

I sustained injuries on my left and right arm, both shoulders, back, both legs and left side of my face. I also suffered a fracture on my last finger on the right hand. I was treated at Ng Teng Fong General Hospital and was given Hospitalisation Leave from 16/08/2018 to 22/08/2018 (MC Ref. 44572643). My motorcycle also was seriously damaged. There were Traffic Police officers at scene however I did not have any report number of the accident. I also did not have any details of the other party. That is all.
