Dear Mr. Chew,

We had received yr letter regarding the accident involving our (previous)SJY 9013D & SKJ 7807K.

It was a sudden brake by driver SKJ 7807K, and we have to apply the emergency brake behind the car.

We at first intended to settle in private but the Driver of SKJ 7807K what apps his own quote on the repair work to us, as he wouldn't want to disclose where his car will be sending for repair and the quote was not from the workshop, we had decided to make the claims thru our insurance Company.

We understand it will not be in our favour and I hope he and his workshop is making a reasonable claim and not over claiming on unnecessary repair works not cause by us and please negotiate a good settlement.

Kindly note the paint on the Audi's bumper is white, while our car is purple in colour, those paints there are not cause by us.

I have attached few photos for yr reference.

Thank you.

Best regards,
Mrs Teo
