Brief Details.

On the 03/02/2018 at about 1415hrs, I was reversing my lorry to park into the parallel parking lot in front of my shop at 140 Joo Chiat Road. There was another car (Mercedes) parked at the parking lot behind my lot.

After I had parked the lorry, the driver of the Mercedes came out of the car and told me that I had hit his car. I told him that it cannot be as I did not feel any impact. I then came out of the lorry to make a check on his car and my lorry. I told the Mercedes driver that there was no damage on the front part of his car. There were no scratches or dents that could be made by my lorry. The Mercedes driver then pointed out a scratch that was above the level that my lorry could have hit his car. He also said that my lorry had hit his front number plate. However I told him that there was no damage to his number plate also so my lorry could not have hit his car.

The Mercedes driver then just stood there with an angry face as if he was not happy with me. He did not ask me for anything else. After that I received a call from one of my customers to repair her fridge urgently. I then went back into the lorry and drove off.

Recently I was hospitalized for 2 weeks and just gct discharged. One of my neighbours then gave me a letter from the Traffic Police ref: TP/IP/09049/2018 to inform me to lodge a report regarding the incident.
