## Accident Sketch Plan

Details of Motor Accident		
Date of Accident:	13 <sup>th</sup> September 2018	
Location:	Blk 203 Toa Payoh North carpark	
Time:	20:35pm	
Parties Involved:	Vehicle 1: SJQ2407P (KIA car)	Vehicle 2: GBH3688E (van)

For the purpose of re-enactment, my vehicle shall be named as **Car A** (SJQ2407P) and the other party shall be named as **Van B**.

The incident took place on the 13<sup>th</sup> of September at around 8.35pm. I was progressing slowly along the carpark in search for a vacant parking lot (*refer to Diagram 1*). Upon spotting a vacant lot (approximately 15m ahead), I did a safety check on my rear and side view mirror to ensure that I could do a safely manoeuvre the car into the lot (*refer to Diagram 2*).

Upon shifting my car to a slight left, Van B came out of nowhere and surpasses my vehicle on the left and caused an impact on the front left front side of my car bumper. It was unknown how Van B could so abruptly end up in the last position depicted in *Diagram 3* (*and in supporting photos*).

Luckily enough, my passenger and myself was not injured but my car suffered a fair amount of damage. I was driving a Kia saloon car and small cars don't tend to fare very well when they are hit by commercial vans. The collision left visible white paint marks which covered the entire left bumper and my bumper also shifted downward slightly. I brought the car to my usual mechanic where they gave me an estimate of S\$500 for the repair. Van B only suffered minor scratches on the side of his vehicle (before the rear wheel).

### **The following describes the process of settling this issue with the other party but to no avail:**

On the day of the accident, driver of Van B said he will leave the matter to his Boss (Mr Wong) as it was a company vehicle. On the same night (i.e. 13<sup>th</sup> September), Mr Wong called and I asked him to work out on the settlement. We did mention on the call that we both will send our vehicle to our own workshop for the valuation of the damage. On the 17<sup>th</sup> of September, I tried calling Mr Wong to ask for updates on his end and also wanted to let him know of our damage amount but he said he was busy and was not able to talk.

On the 24<sup>th</sup> of September, I called him again to chase him for an answer and he only mentioned to me that he will be claiming against me for the damage. As such, I will not hesitate to claim against him for the damage caused on my car as I believe it was due to his driver's negligence on not keeping a safe distance from my car (i.e. 1 car's length) and being impatient, to want to overtake my vehicle while I'm parking.
