I then continued going straight to overtake the two cars that had parked along the lane. One of the car (SKB681T) had the hazard light on. Suddenly, while I was driving pass, the car drove out and hit onto the left side of my lorry. The car still had the hazard light on.

POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. J/20180918/2057

I then stopped my lorry and make a check. My lorry sustained damages to the left side and cracked rear left light. I then informed my boss regarding the accident. My boss then told an administrator from my company to come down. While waiting, the driver of the car namely Ke Shan S7480838G Hp: 96357586 had written a note and told me to sign claiming that the note is stating our particulars. As I do not know English, I had just signed the note.

My administrator namely Janet Mah Yeong Yee had then came down and the driver had also told her to sign the note and to include my company name on the note. My administrator had signed the note as the driver had fold the note and Janet only saw the particulars of the driver stated on it. After she had signed it, the driver then opened the note and only then did Janet see what the note had stated. The note had stated that my vehicle was entirely at fault for the accident. Janet then asked for the note and took photo of the note.

Janet then called for Police. While waiting, another driver of a car informed that he had in-car video footage of the accident and sent Janet the footage. The Traffic Police officers then came down and had told the driver that writing the note was not the right thing to do. The Traffic Police officers then advised me and Janet to lodge a Police report. I am lodging this report for record purpose to bring to the insurance company.
