Dear Joel,

We refer to the subject matter.

It was reported by Insured Driver that he was reversing towards the rubbish chute when TP taxi also reversed.

TP driver reported that he was stationary when our Insured vehicle reversed and hit the taxi. TP repairer provided to us a copy of their video footage and scene photos (as attached).

In view of the available information, we are of the view that our Insured is more liable of the accident.

Kindly advise if you have any further comment/instructions, otherwise, we will proceed to settle the matter at best.

Thank you.

Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy. Any inconvenience caused is much regretted.

Best Regards,
