Your Ref: SJX6997P

Dear Ms. LI XIAO YUN,

ACCIDENT INVOLVING SJX6997P[AIG] AND CB6375H ON 17/09/2018

We have received a claim from CB6375H against your motor insurance policy.

Both parties involved have given conflict of version. Based on the circumstances of accident and both parties damage profile, there is no conclusive evidence to substantiate either's parties version. Pursuant to the above said accident wherein you and/or your authorized driver had amongst other information given us your version of how the accident had occurred, we as the appointed agent of your insurers shall proceed to negotiate for an amicable settlement with third party claimant.

If you have evidence/information to proof that we should not settle the third party claim, kindly let us have them in writing within the next **10 days** i.e. by **27/05/2019**, after we shall proceed with negotiation with Third Party claimant on the without prejudice basis and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

Please note that your No-Claim Discount (NCD) (if any) will be affected and reduced by 30% (20% for commercial vehicles) upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Please call us if you have further queries.

Dear Khanchna,

We refer to your email below and regrettably to inform your finalize offer of **\$ 1,752.00 (50%)** is not acceptable.

According to your insured's sketch plan, there was no **center lane**, the accident scene was only **two lane**. The liability is clear, my driver was moving along the roundabout in his own lane and he did not change lane, but is your insured change her lane and cut into my insured's lane cause she want to exit the roundabout . (Please refer to the attach evidence photos)

Further more, refer to the Bola section 13 (b), vehicle exiting should do it at the outer lane.

Kindly please revert soonest and hope to hear from you.

Thank you.

Regards

Shu Wen
