Dear Vic,

Our Ref: TAX/09/18/2062

We have sent the video footage to lkkauto.photos@gmail.com.

Your insured only turn on the left signal when our taxi was right behind him on the left giving our driver no time to stop and continued to filter left when our taxi was already parallel with his van thus causing the accident.

Please get your surveyor Rasul to finalise the repair costs with our workshop urgently. He surveyed our taxi on 19/8/2018 and to-date after more than 3 months, he has yet to finalise the repair costs.

Regards
