CONTINUATION OF REPORT

Brief Details.

On 14/08/2018 at about 1330hrs, I parked my lorry (GBF6431U) at the open carpark, lot 966 of blk 915 Tampines Street 91. I was there to assess my client unit for installation window frame.  
On the same day at about 1350hrs, I went back to retrieve my lorry and discovered that there is a dent and scratches on the left side on the passenger side. After which, I took the photos of the damages. Subsequently, one Malay guy about 40 years old, HP: 92788610, came to me and asked me if I am the owner of the lorry. I replied to him yes and he told me that his vehicle in car camera captured when the incident happened. He showed me the video footage and confirmed it was a lorry which had collided to my lorry while parking. I then requested for the witness hand phone number to send me the video footage. Before I move off, I went to search for the lorry based on the video footage at the vicinity and discovered the similar lorry that was collided onto my lorry. The lorry car plate number is GV3601Y.

I wish to inform that I only get the witness hand phone number however did not get his name. I wish to inform that no one was injured and no police attended. No government property was damaged. I have also called up my company in-charge to inform them about the matter and advised me to lodge a police report.
