Dear Sir/Madam,

We refer to the above matter.

For COR, our surveyor had recommended amount for COR at **L/S \$1,800.00** with **3** working days.

Please note that: All finalisation is subject to our Principal insurer's approval.

In the meantime, Please be informed that basing on the accident statements submitted by both party, the **liability is unclear** for the above mentioned case. There is no conclusive evidence yet to substantiate either party's version. Below is a copy of our insured's accident report statement for your perusal.

We are in a course of investigating into the circumstances of the accident. After verifying further with our OI we will revert with our opinion on the cause of the accident. Kindly do not refer to any party for legal assistance until you heard further from us.

Meanwhile, we would like to request the CCTV footage / accident scene photos / evidence in order to seek further instruction from our principal.

Thank you.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."
