Brief Details.

On 06/09/2018 at about 2030hrs, I was riding my motorbike (FR1564S) along Beach Road towards Crawford St direction. I was riding at about 30km/hr at the 2nd lane. Just then as I reach Golden Mile Food Centre's carpark, one motorcycle (FBK2131K) suddenly came out of Golden Mile Food Centre's carpark and rode to my lane.

I immediately applied emergency brake however could not stop in time. As a result, my vehicle's front collided with his vehicle's right. As a result, my pillion and I flew out of the bike.

I was able to stand up however my pillion (Kassim) was stucked under the bike. Passerby came to assist with bringing up the bike and after awhile, ambulance and traffic police arrived. Ambulance made a check on me and conveyed my pillion and I to Tan Tock Seng Hospital.

Upon reaching the hospital, the doctor diagnosed that I suffered fractures and abrasions limbs, closed fracture of proximal end of humerus as stated on the medical report.

My pillion suffered slight scratches on his right hand and left ankle and left knee as well.

On 07/09/2018, I received photos of my damaged bike and the other riders bike from a witness who claimed he was there at the point of time. His contact number is 9380 9525.

Afterwhich, I decided to lodge a police report. I wish to state that I did not manage to take the other rider's and his pillion's particulars
