Your Ref: **PC 3100U** Without Prejudice
Our Ref: CC4/ASM18017663/T1ga3

Dear Sirs/Madam,

ACCIDENT INVOLVING PC 8811T & PC 3100U ON 25/09/2018

We refer to the above matter.

We have reviewed the matter and we are of the view that our driver is not liable for the accident.

Fact 1: Base on your client's sketch plan report and Video Footage, Our Insured's vehicle is in front of your client's vehicle which was on left side prior to the collision.

Fact 2: Video clearly show that while Our Insured was turning left, your client instead of slowing down its speed to allow Our Insured to turn in priority, instead continue to move forward for turning left, thus both vehicle collided.

Fact 3: Your client vehicle stopped immediately upon the impact contrary to his statement of Accident that its position was still stationary which is not true.

In view of the above, we have our principal instruction to deny liability and unable to look into your client's matter.

Thank you.

"Please note that our proposal and correspondence with you is strictly on a without prejudice basis and should not be construed as an admission of liability on our part and/or that of our policyholder and/or the authorised driver. The terms of our without prejudice engagement should not be disclosed in any other related matter(s) in respect of this accident nor should it be binding in any other related claims."
