Describe Circumstances of the Accident

At The Malaysia Customs, there is a traffic jam and the queue of cars that I follow merged with another queue to my left.

As we approach the custom counters, driver of car SLA3818R is merging in from the left. He drove very close to the vehicle in front and I gave way to him ~~by~~ by stopping my car. Another vehicle followed closely behind him and I must start moving to merge in the queue 1 car after him.

After customs checking, driver of SLA3818R points his finger at our car and claims that our car caused the damage to his vehicle right rear bumper.

I told him to claim insurance but he says he wants to private settle instead. We exchange contact numbers and went on our ways. Due to this, we did not report to idac.

In the end he did not contact me to discuss ~~but~~ and made a report instead.
