Dear Kian Meng,

We refer to the subject matter.

It was reported that TP vehicle was from the minor road entering the yellow box when hit by Insured vehicle.

TP repairer had furnish us a copy of the video footage (as attached and uploaded in merimen), however, the video footage does not entirely shows what happened at the material time as the camera was focused towards the sky and not to the road.

In view that TP vehicle was from the minor road, we are of the opinion that liability is in our Insured's favour and we would like to deny the TP claim.

For your approval and/or further instruction please.

Thank you.

Best Regards,
