Without Prejudice

Dear Alice,

We refer to your below email.

We attached here with a copy of our insured accident statement and video footage for your easy reference. The video shows that our insured vehicle was stationary and suddenly there was a jerk/ impact on his taxi. We are of the view that our insured statement is more credible. Your client had collided onto our insured's taxi from behind.

In view of the above, we regret to inform you that we have our principal to deny liability and unable to look into your client's claim.

Thank you.

Best Regards,

Hsiao Tong, Chew | Case Handler
