Dear Jimmy,

We refer to your below email.

It was reported by both drivers that the TP vehicle encroached into our Insured's lane that resulted in this accident.

We had spoken to the Insured Mr Leung where he confirmed accident details and insisted that he was within his lane when TP encroached and collided to his vehicle. He already provided a copy of his video footage to his workshop (Cycle & Carriage) and he was informed that they managed to claim successfully against TP.

Insured's main concern is for his NCD not to be affected as he was not at fault on this matter.

In view of the above, we would like to reject the TP claim.

For your approval and/or further instructions please.

Thank you.
