Dear Sirs/Madam,

ACCIDENT INVOLVING SMB1542G and SHC5217Z ON 28/09/2018

We refer to the above matter.

We have reviewed the matter and we are of the view that our driver is not liable for the accident.

Base on the Video Footage that has been viewed by AXA at your good office, it has shown that Our Insured is traveling within his own lane however your client encroached into Our Insured's lane and caused the accident.

In view of the above, we have our principal instruction to deny liability and unable to look into your client's matter.

Thank you.

“Please note that our proposal and correspondence with you is strictly on a without prejudice basis and should not be construed as an admission of liability on our part and/or that of our policyholder and/or the authorised driver. The terms of our without prejudice engagement should not be disclosed in any other related matter(s) in respect of this accident nor should it be binding in any other related claims.”
