saying that i was involved with such issues with another vehicle of GBB2494K.

On the 27th October 2018, I was the driver for the above vehicle licensed number. I did not recall hitting any vehicles. I am unable to recall on that day if i had went to Rivervale Mall because I had 10-15 locations to deliver within a short period of time as there are timings to the orders. To my understanding, if there are such incidents happened, there will be damages on my vehicles or heard y bumps but there isnt.

Prior to my driving status, I have not commit any wrong doings such as hit-and-run accidents, accidents or any bad records. I do not want this issue to affect my position in my current job because it's only a month that I've joined the company. I felt it is unfair when i get involved with this issue.

However if you should require to contact me, you can do so by contacting 90692415.

Thank you for reading and i hope you understand my situation.
