Brief Details.

On 27/09/2018 at about 1415hrs, I parked my vehicle at the said loading/unloading bay for delivery. I then noticed the above mentioned red lorry was trying to reverse before exiting the bay. As the said driver was inching close to my vehicle, I tried to sound to the driver but it was too late. The said lorry hit onto the left front passenger door and thereafter, drove off without stopping.

I managed to get the plate number from the security guard post and Mr Ali (Security Guard) informed that he is willing to be my witness however I did not take down his particulars. There are CCTVs in the loading/unloading bay. I only managed to make a Police report now as I was still waiting to inform my boss and pending his decision.
