Hi Vivian,

The Taxi SHF666C are not suppose to turn right from the gantry. As the arrow show going straight at the gantry. Vehicle B is liability for the wrong flow of traffic and cause the collision.

The Taxi should go all the way to the behind open car park and turn out from the car park and go to the pick up point at the lobby.
Please see attached photo.

Please kindly advise the liability.

Best Regards,

Eileen Chua
