Hi Olivia,

We have agreed that with effect Oct 2018, Survey report is to include Upper range of repair cost.

Appreciate if you can revert on the upper range of repair cost for this case.

Also, usually LKK would recommend on the duration of repair needed. Please ensure that you include the weekends if the vehicle has already been booked into the workshop on Friday or Sat so that we can allow for weekend claims too.

Cc: Frankie & Farhan, please note the above and ensure that you check through the survey reports.
