Dear Gerald,

We refer to the above matter.

Base on OI video, We offer 50% liability to TP repairer. TP repairer disagree on the liability and insisted 100%. (enclosed is TP appeal email)

Based on the circumstances of both parties TP was travelling in the fast speed, OI stop and TP unable to stop in time and collided onto OI. TP should bear some liability also.

Kindly advice on your view/opinion/instruction for this claim.

Thank you

Best Regards,
