**Brief Details.**

On the 11/10/2018 at about 0800hrs, I parked my car SKE 7848T, at the open space car park 15 of Nanyang Polytechnic (unsure lot number). On the same day at about 1300hrs, I went to retrieve my car, drove off to car park 18 and parked my car there. Subsequently at about 1800hrs, I went back to my car and drove home.

On the 24/10/2018, I received a letter from the Traffic Police informing me that my vehicle was involve in a traffic accident on the 11/10/2018 at about 1305hrs along Ang Mo Kio Avenue 8. I wish to state that at all times when I was driving, I did not hit onto any vehicle or met with any accident. There are old damages/scratches on the front right and rear left side of my car(near wheel area) and it was already rusted. This is the first time I received letter from the Traffic Police.
