Hi

Rosyth School has reviewed their CCTV footage. Unfortunately, their camera is placed too high up so it does not capture the car number plates.

I will take some photos and video footage of the accident site this afternoon to show you what the traffic situation is like because before the school gate is opened, the cars queuing can't move at all. I sent one photo of the 3rd party driver stopping in front of the school gate after he side swiped me.

Thanks!!
Michelle
