Brief Details.

On 18/10/2018 at about 0050hrs, I was sending my passenger home to Ang Mo Kio. As I was driving at the middle lane along Ang Mo Kio Ave 1, a Mercedes vehicle was driving at a very fast speed from the back and the driver wanted to cut into my lane. During the process of overtaking, the Mercedes swiped passed my car and cut into my lane. Both of us then immediately stop at the side of the road and I made a checked on both my passenger and the other party.

During that point of time, both me and the other vehicle have 1 passenger with us, subsequently, the friends of the passenger who was in the Mercedes came over to check as well. We then exchanged particulars and thereafter we called for the tow truck to tow away the vehicles

Upon arrival of the Traffic Police, the driver of Mercedes told her friend that she wasn't feeling well and left the scene before the Traffic Police could speak to her. They had a in car CCTV installed in the Mercedes however they refused to view and show it to me.

I wished to state that no one was injured during that point of time and there was no visible injuries as I made a check on both the Mercedes driver and her passenger before the arrival of Traffic Police.
