Without Prejudice

Dear Wai Yin,

We refer to the subject matter.

Please be informed that our principal had further reviewed the matter and based on the available information and evidence at hand, our principal is in the view that our Insured is not liable of this accident.

Our Insured had provided a copy of the video footage that shows the entire accident. Based on the attached footage, our Insured vehicle was travelling across the junction with green light on his favour and your client was making a right turn from the opposite lane.

As such, we have our principal's instruction that we are unable to look into your client's claim.

We will now close file in our end.

Thank you.

Best Regards,
