Sketch Plan #2

Sketch Plan (scenario where all cars stopped)
Sengkang East Ave

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

I was travelling along Sengkang East Ave, maintaining 2 to 3 car distance away from the car in front. She braked once (as seen in the video) and I noticed her right brake light was not working. She was tailgating the car in front of her so I kept my distance away. Suddenly, upon approaching the traffic light (green light, amber arrow), the car in front of her slowed down/stopped. She emergency braked and I followed suit, however my car coasted to a stop and there was a slight bump/contact with her car. She insisted that as dent behind in car was caused by me even though the dent is way bigger than what my car can reach (video & photo). She immediately insisted on claiming from insurance aggressively. She asked to take a photo of the front car and the front car driver came down to scold her for being a road driver.

DECLARATION

I/We declare the foregoing particulars are true in every respect.
