'WITHOUT PREJUDICE'
SAVE AS TO COSTS

Dear Sir / Madam,

We refer to the above matter.

Our Principal III wants to convey the message that the request for pre-repair should be send in with 3days of accident.

2.2 Within 3 working days of the date of the accident, the claimant must send a notice of accident (Form 1 in this protocol) to the potential defendant and his insurer (or where there is a multi-party collision, to each of the potential defendants and his insurer). This is to facilitate a joint survey of the damage to the claimant's vehicle prior to the commencement of repairs ("pre-repair survey"). The pre-repair survey will include a survey of the vehicle when its damaged parts are being dismantled prior to the commencement of repairs.

Thank you.

Best Regards,
