Dear Angie,

Our surveyor recommended 33 days for repair. We have amended the repair days in the report due to typo error.

Amount \$48,000(Before GST) is the repair limit and the vehicle had been repaired.

Thank you.

Dear Jia Le,

Your email of 26 November 2019 refers.

We need clarification regarding the recommended repair period. In your report it was indicated as 18 days. However in your email indicated as 33 days. How do we justify 33 days of rental?

Was the vehicle repaired or scraped? Any post-repair photographs available for review?

Kindly advise.

Thank you.

Angie Gan
