CONTINUATION OF REPORT

Brief Details.

On 01/11/2018 at 1545hrs, I was driving my personal vehicle (BNF5587) along BKE(Woodlands) near to lamp post 165F. The traffic was heavily congested and it was still raining. I was driving slowly on the second lane and came to a complete stop. Out of the sudden I felt a hard impact from the rear of my vehicle causing me to hit onto the front vehicle. I then went out from my vehicle to make a check and saw YM6968D (last vehicle) had collided onto SJW2797G followed by my vehicle BNF5587 and YP7950G (first vehicle). No one was injured during the accident. Traffic police came to assist me and directed me to lodge a police report ref to incident F/20181101/0163 under TP IO Dylan (DID: 6547 6251).
