Brief Details.

On 14/11/18 at about 0925hours, my vehicle(SKT9658H) was travelling on slip road into AYE(MCE), just after Jurong Town Hall exit. As I was travelling, I checked and signaled to my right and slowly wanted to into the extreme left of 3 lanes. Suddenly I heard a knock from the right side of my vehicle. I then proceeded further down to make a check and realized a motorcycle(FBC214K) and a rider was on the ground. The rider suffered abrasions on his left elbow and knee. I then called 911 for assistance. Police and ambulance came, the rider was being conveyed to hospital.

I wish to state that my vehicle suffered dents at the right driver seat's door. My vehicle had a in built camera and traffic police had already took my SD card.

I am lodging this report as requested from Traffic Police.
