We refer to the above matter.

Please be informed that our principal had further reviewed the matter and based on the available information and evidence at hand, our principal is in the view that our Insured is not liable of the accident.

Based on the enclosed copy of our client's CCTV footage, it was observed that the accident was due to the lorry that tried to cut to our Insured's path resulting in this accident.

In view of the above, we regret to inform you and we have our principal's instruction and we are unable to further look into your claim as the proximate cause of the accident is the lorry.

Kindly re-direct your claim to the insurer of the lorry for redress.

Thank you.
