| <p>I WAS travelling along Lornie Road, preparing to exit to PIE TUAS Normal traffic flow. There was a vehicle trying to cut into the lane into the exit in front (about 3 cars in front). The cars in front stopped for that vehicle and I also came to a stop safely. After 1-2 seconds there was a loud bump at the back of my car. A white Mazda had hit my bumper. The reverse sensor became dislodged. There are scratches on the back of my car and the whole bumper piece is also slightly dislodged.</p> |                                                                                                                 |
