### Brief Details.

On 05/04/2018 at about 2010hrs, I was driving my taxi bearing registration number SHC2193C Cross Street. As I was turning right at the junction of Cross Street and Robinson Road, I sudden loud thud and felt an impact on my right side. I then stopped my vehicle and alighted, where I discovered motorcycle FBB3078Y had collided against the right front side of my vehicle. The rider was already lying on the floor. Police and ambulance arrived a few minutes later and the motorcycle was conveyed to the hospital, condition conscious. I wish to state that while making the right turn, I did not notice the motorcycle coming from anywhere.

My taxi suffered dents and the right side mirror is damaged. The rim of the right front tyre is also damaged. I did not manage to take down the particulars of the motorcyclist. No government personnel involved. There is an in-car camera in my vehicle and I am lodging this report as requested by

**Brief Details.**

On 05/04/2018 at about 2010hrs, I was driving my taxi bearing registration number SHC2193C along Cross Street. As I was turning right at the junction of Cross Street and Robinson Road, I suddenly heard a loud thud and felt an impact on my right side. I then stopped my vehicle and alighted, where I then discovered motorcycle FBB3078Y had collided against the right front side of my vehicle. The motorcyclist was already lying on the floor. Police and ambulance arrived a few minutes later and the motorcyclist was conveyed to the hospital, condition conscious. I wish to state that while making the right turn, I did not notice the motorcycle coming from anywhere.

My taxi suffered dents and the right side mirror is damaged. The rim of the right front tyre is also damaged. I did not manage to take down the particulars of the motorcyclist. No government property involved. There is an in-car camera in my vehicle and I am lodging this report as requested by TP.

**Brief Details.**

On 05/04/2018 at about 2010hrs, I was driving my taxi bearing registration number SHC2193C along Cross Street. As I was turning right at the junction of Cross Street and Robinson Road, I suddenly heard a loud thud and felt an impact on my right side. I then stopped my vehicle and alighted, where I then discovered motorcycle FBB3078Y had collided against the right front side of my vehicle. The motorcyclist was already lying on the floor. Police and ambulance arrived a few minutes later and the motorcyclist was conveyed to the hospital, condition conscious. I wish to state that while making the right turn, I did not notice the motorcycle coming from anywhere.

My taxi suffered dents and the right side mirror is damaged. The rim of the right front tyre is also damaged. I did not manage to take down the particulars of the motorcyclist. No government property involved. There is an in-car camera in my vehicle and I am lodging this report as requested by TP.
