CONTINUATION OF REPORT

Brief Details.

On 02/12/2018 at about 1725hrs, I was travelling in my vehicle (SLZ 8700G) along Sengkang East Way and everything was in order. I wish to state that I have two passengers with me, my wife and daughter. When I reached the traffic junction of Sengkang East Way, the traffic light was green and I was proceeding across. All of a sudden, two male e-scooter riders appeared suddenly and I collided onto them.

Furthermore, I slowed down when approaching the traffic junction and I also noticed that the cars on the opposite which are making a right turn had already stopped. Traffic police and ambulance came to the location and the two male e-scooter riders were sent to the hospital. I wish to state that my wife, daughter and I were not injured from the accident. I also have a witness whom is willing to give a statement. The damages to my vehicle are dents on the front right bumper. I was given a incident number F/2018/202/0144 and the TP ID Bei Feng (6547 6415).
