Brief Details

The vehicle SLS827P scratched our car SGF9907K when the driver of SLS827P was driving away from her parking lot at Seletar Reservoir carpark.

She then left her contact and assured us that she will settle it privately. But after some sms with my mom, my mom called her and she didn't pick up. There was no update from her and her husband since then, which is why we are worried now about the situation.

We have video evidence of the situation and would like to make an insurance claim as this is a worrying situation as we were cheated before during another car accident, but we are not sure about the procedure, that is why we are submitting a report online now.

Please feel free to contact me (via sms or call, sms if im unable to pick up the phone) and i will be happy to supply more information.
