Hi Khanchnal,

I called today but you're on leave. Spoke to your colleague. Understood from him that you have all the necessary information listed in your email, except for photos and videos of the accident.

For the videos, I only have the one captured by the rear camera. Eurokars (who handled my case) have a copy of both front and rear videos. If you need both videos, please get from them. If not, you can get the rear video from me.

Attached are the photos of the accident.
