Without Prejudice

Dear Sirs/Mdm,

Apologised for late response.

We attached here with a copy of our insured car video footage for your easy reference. From the video, we could observe that our insured driver was driving ahead of your client vehicle after the merging lane and before the collision. However your client was trying to overtake from the left side of the road shoulder and collided with our vehicle. We are of the view our insured driver is not liable for the accident.

In view of this, we regret to inform you that we have our principal instruction to deny liability and unable to look into your client's claim.

Note: This video footage is solely for investigation and shall not be reproduced. You undertake to preserve its confidentiality and will not disclose, provide or make available the video footage in whole or in part, to any third party.
