Dear Sir/Madam,

### **ACCIDENT INVOLVING YM7554H & SHC5746M ALONG/AT TUAS ROAD ON 15/12/2018**

We refer to the above accident where we are acting for AIG Asia Pacific Insurance Pte Ltd to resolve the claim against you and/or your authorized driver under the Auto Insurance policy taken up with them.

We have received a claim from SHC5746M against your motor insurance policy.

Both parties involved have given conflict of version. Based on the circumstances of accident and both parties damage profile, there is no conclusive evidence to substantiate either's parties version. Pursuant to the above said accident wherein you and/or your authorized driver had amongst other information given us your version of how the accident had occurred, we as the appointed agent of your insurers shall proceed to negotiate for an amicable settlement with third party claimant.

If you have evidence/information to proof that we should not settle the third party claim, kindly let us have them in writing within the next **10 days** i.e. by **20/05/2019**, after we shall proceed with negotiation with Third Party claimant on the without prejudice basis and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

Please note that your No-Claim Discount (NCD) (if any) will be affected and reduced by 30% (20% for commercial vehicles) upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Good afternoon Chee-Heng,

The above matter refers.

Kindly be informed that we have contacted our Insured and was informed that their counter claim against Third party was successful (as attached).

Based on all the documents on hand, we opine that the liability is against the Third party as per BOLA 12 because there is clear admission from Third party that he was entering the Roundabout whereas our Insured driver was already moving along in the Roundabout. Please refer to the Third party's police report statement below for your easy reference.

Name	MUHAMMAD VEER	ID No.	00450044Z

**Brief Details:**

On 15/12/2018 at around 2130hrs, I was driving my taxi (registration number: SHC5746M) along upper Jurong road and entering the round about. Out of a sudden, the other vehicle (registration number: YM7554H) travelling on the round about came crashing into my car and collided into the driver's side front car area causing my front bumper to fall off. Due to the collision, both my taxi headlights were damaged and the front right hood of the car is being badly damaged. I managed to alight from the vehicle and exchanged particulars with the other driver. Due to the accident, I suffered injuries such as back pain and was given 5 days medical leave. Subsequently, the Traffic Police and Police arrived at scene. I have in-vehicle camera installed in my vehicle however I am unsure if it had recorded the incident. I am unsure if there are any CCTV's near the area of the accident.

I am lodging this report for record and insurance claims purposes.

As such, we intend to reject the Third party's claim against our Insured.

Appreciate your approval/instruction.

Thank you.

As such, we have our principal instruction to deny liability and we are unable to look into your client's matter.

Please refer to your client's police report statement below for your easy reference:
