**Brief Details.**

On 19/12/2018 at about 0905hrs, I was driving my van along CTE exited into Braddell Road. While approaching the traffic light junction which shows amber on the left most lane, one stationary car on my right suddenly turn left and swiped into the right side of my vehicle causing dent and scratches on the right side of my vehicle. We exchange particulars and left. After which I felt pain on the right side of my shoulder and went to seek medical treatment and was given 3 days MC. I have in-car camera installed in my vehicle.
