Dear Vale,

ACCIDENT INVOLVING PC274X AND SHB 9925S ON 20/03/2014

We refer to the above-subject.

We have surveyed TP vehicle on 20.03.2014 and have adjusted the cost of repairs to Part by Parts \$7392.07 with 6 working days recommendation to repair after inspection.

TP repair have not forwarded their letter of demand to this date despite follow-ups made and no response from them.

Since there is no development from TP with regards to their TP claim, we will temporarily close 1 year and 6 month outstanding file and submit our report to your good-office.

In future, if there is any development from TP, we will update and inform you for our further handling.

Thank you.

Best Regards,
