Without Prejudice

Dear Gerald,

We refer to your below email.

We had further reviewed the matter and based on all available information and evidence provided, we are of the view that our Insured vehicle was already in the lane when collided by TP taxi that swerved lane.

In view of the Insured's video footage and the accident statement of the vehicle SJN 7206K, both had correspond to the scenario as reported by the Insured.

As such, we would like to deny the TP claim.

For your approval and/or further instruction please.

Thank you.

Best Regards,

Dear Vic,

Attached copy of accident statement and sketch plan of SJN7206K for your attention.

Based on both accident statements of SJN7206K and SKD1066C, it would appear that both reports are consistent and liability rest substantially against the driver of SHC3816C. The video footage seems to support both versions.

Please let us have your views if any.
