Dear Sirs/Madam,

ACCIDENT INVOLVING SKW 2260B & SLZ 7610P ON 24/12/2018

We refer to the above matter.

We are of the opinion that this is a case of conflicting versions. There is no concrete evidence (ie: Video footage) yet to support either party's version. Enclosed herewith in this email is a copy of our insured's accident report for your perusal.

We have reviewed the matter and we are of the view that our driver is not liable for the accident. Base on the damages on your client's vehicle, the damage extent is more consistent with OI's statement.

In view of the above, we have our principal instruction to deny liability and unable to look into your client's matter.

Thank you.

"Please note that our proposal and correspondence with you is strictly on a without prejudice basis and should not be construed as an admission of liability on our part and/or that of our policyholder and/or the authorised driver. The terms of our without prejudice engagement should not be disclosed in any other related matter(s) in respect of this accident nor should it be binding in any other related claims."

Best Regards,
