Dear Sam,

We refer to the above matter and our tele conversation.

Thank you for furnishing video footage.

Please be informed that we have review the matter and we propose 50/50 as Our Insured intended to turn left and needs to make a big turn. Our Insured had put red indicator to warn it is a long vehicle and had signal light before turning. We are view that your driver should have ample time to take evasive actions to avoid the collision, and needed to be partially liable also.

Please confirm.

Your prompt reply will be very much appreciated.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement."

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."

Best Regards,

Dear Poh Kin,

Please see attached video, the objects that the trailer carries has already protrude and exceed the body length without any warning display.

Furthermore it did not do any attempts such as having an escort to follow and my client could not expect or avoid this accident.

Please let me know the liability. Thank you.

With Regards,

Dear Sam,

We refer to the above matter and our tele conversation.

Please be informed that Liability unclear on this matter. There is no conclusive evidence yet to substantiate either party's version. Below is a copy of our insured's accident report statement for your perusal.

Meanwhile, we would like to request the **CCTV footage / accident scene photos / evidence** in order to seek further instruction from our principal.
