Dear Mr Lim,

We have received the surveyor report from Igene of M Nedumaran & Co and currently pending for the Police Investigation Result(PIR) from your good self.

Also, we have instructed a surveyor from M/s LKK auto consultant to inspect your vehicle especially the frontal portion as to establish the facts of the accident before we can finalize on our claims assessment. Dear Saliha,

Kindly extend a copy of your insured's report for our record. We shall then send the LOD against the last vehicle. We will need to justify the reason as to why we are claiming against the last vehicle and not resolve as per the BOLA guideline. Your prompt response is greatly appreciated. Thank you.

Dear Kazali,

I will take over conduct of the matter from LKK.

We enclosed herewith photo depicting frontal portion of our insured's vehicle taken during reporting (2 days after the accident). The taxi rear portion was severely damaged and it is deemed as total loss. Should our insured had collided onto the taxi, damage to our insured's frontal portion would be the same.

We regret to inform that we're unable to consider your client's claim and you may want to re-direct it to M/s AXA insurance being insurer of SJL8857K for their further review and settlement.

Thank you.
