Dear Joane,

We refer to the below email.

Please be informed that TP video footage has been uploaded in merimen.

Based on both video footage, TP was within its lane when the collision occurred.

Kindly advise I we can proceed to settle the matter at best.

Thank you.

Hi Joane,

Attached is a copy of third party video for your easy reference.

We are of the view that liability is not in OID's favour as it is likely that OID had encroached into third party's lane while he was crossing the junction.

Kindly let us have your view after reviewing the matter.

Thank you.

Dear Hsiao Tong,

With reference to above matter

Enclosed is OI's video which has also been uploaded in Merimen

From OI's video footage, it is more likely that liability is in OI's favour. Having said that, please request for 3P's video footage for further review before making our final decision

Thank you

Regards,
