DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

I was driving along CTE to city exiting from PIE. Was driving at normal speed and was looking at the next lane to filter in. Then when glance back to my lane, saw the car in front of me brake. Was braking and as the floor was wet after rain, the car was not able to brake in time and bang the car in front. No one was injured during the minor accident. Both drivers checked the car and agreed to settle privately as both car just had minor scratches. But that night the other driver message me saying the back door could not lock. Next day he went to a workshop stating the lock is broken and require to change a new one. Also asking for me to pay for car rental during the repair of the car.

DECLARATION

I/We declare the foregoing particulars are true in every respect.
